

**Veronica** had a passion for skydiving, but her luck had ended.

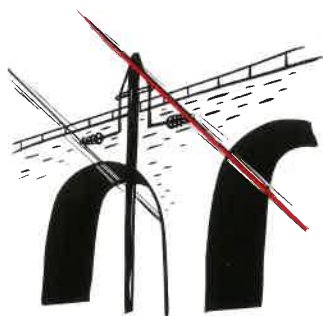

This time, her parachute refused to open.

**The man and woman** in question are our Biblical ancestors: Adam and Eve.

After Adam ate a piece of the apple, both of them lost their immortality.

**The man** paid with his life for taking a pee from a railway bridge onto a high-tension power line below in the dead of night.

**A spider collector** had forgotten his extremely venomous spider in the taxi.

Tim, who happened to be the next passenger, panicked when he caught sight of the creature, and was immediately bitten.
