

NEVER FORGET YOU SONGTEXT

I used to be so happy
But without you here _____
I watched you as you left but I can never seem to let you go
Cause once upon a time you _____
It's clear to see that time hasn't changed a thing
It's very deep inside me but I _____

I _____
And you will always be by my side
From the day that I met you
I knew that I would love you _____
And I will never want much more
And in my heart I _____
I will never forget you

And you _____ till the day I die
Till the day I die, Till the day I die, Till the day I die
Funny how _____ but everything seems alright
I wonder what _____ and put up a fight

Cause once upon a time you were my everything
It's clear to see that time hasn't changed a thing
So thoughtful whisper do you think I _____

I will never forget you...

And you will always be by my side till the day I die
Doing it, loving it
Everything that we do
And all along, I knew I _____
But sometimes you just gotta know that these things fall through
But I'm still tired and I _____
Feeling it, loving it
Everything that we do
And all along, I knew I had something special with you
But sometimes you just gotta know that _____
But I can't hide my connection with you
I will never forget you
And you will always be by my side
From the day that I met you
I knew that I _____
And I will never want much more
And in my heart I will always be sure
That I will never forget you
And you will always be by my side till the day I die
Till the day I die
Till the day I die
Till the day I die
I will never forget you
I will never forget you

But without you here I feel so low

I will never forget you

And you will always be by my side till the day I die
Till the day I die, Till the day I die, Till the day I die
Funny how we both ended happy but everything seems alright
I wonder what will happen if we went back and put up a fight

Cause once upon a time you were my everything
It's clear to see that time hasn't changed a thing
So thoughtful whisper do you think I'll ever take you off my mind

I will never forget you...

And you will always be by my side till the day I die
