

HAPPINESS IS

...Friday.

HAPPINESS IS

*...having friends
who are idiots.*

HAPPINESS IS

*...believing in
unicorns.*

HAPPINESS IS...

a fully charged phone

HAPPINESS IS

*...going back to bed
after breakfast.*

HAPPINESS IS...

...waking up in a good mood.

HAPPINESS IS

...spending time outdoors.

HAPPINESS IS

*...seeing
others happy.*

HAPPINESS IS

*...an afternoon of shopping
with no other commitments.*

HAPPINESS IS...

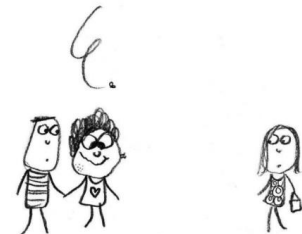

*the first
thunder storm of spring*

HAPPINESS IS

...having you in my life.

HAPPINESS IS

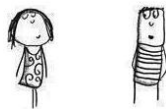

*...seeing your ex
with someone uglier than you.*

HAPPINESS IS

...the end of exams.

HAPPINESS IS

*...when someone tells you
that they missed you.*

HAPPINESS IS

A HUGE CUP OF
coffee

A REALLY GOOD
book
and

- AND -

you
BY MY SIDE

Happiness is...

A TEENSY BIT OF
silence

A MORSEL OF
chocolate
